The meeting began with the vibrant note of Principal to Stakeholders and IQAI members. Firstly, all criteria were explained to all stakeholders and the contribution of alumni, Community Representative and management representative was acknowledged by the Principal <sup>group</sup> in the form of invaluable suggestions and financial support to students.

All IQAI members and stakeholders congratulated Principal for receiving 'Principal of the Year 2021' award on 15 September, 21 by Pushkar Singh Dhama (Chief Minister of UK). In the part of the administrative level, another achievement was that next installment of RUSA fund had been released in the sum of Rs. 50 lacs. In 7 October, 2021, a third party including government officials will visit the college.

Another focus area of the meeting was to bring into notice and ponder over the problems which were faced by the Criteria in-charges in the SSR preparation and submission for the third cycle of NAAC Accreditation period 2018-20. Main emphasis of Principal was to take a rigorous and systematic approach to assessing and managing such issues.

Actions to be taken:

In the discussion, many <sup>points</sup> ~~issues~~ were identified and ~~some~~ decisions were taken up to systemize them. These are as follows:

- \* To find out the way to upload information in questions - 4.1.3 and 4.2.3.
- \* Urgent need of more systematic and thorough documentation of all programs including students' signatures, their participation certificates and geo-tagged photographs.
- \* To motivate faculty members and students to join various platforms of learning and research such as VIDWAN and ePath - shala and others.
- \* To make aware all the faculty members of the NAAC parameters regarding the acceptance of research paper publications.
- \* To systemize the energy audit and environment audit.
- \* To conduct gender audit regularly.
- \* To ascertain the participation and achievement of ~~any~~ students in the related fields. Their certificates or papers should be

collected instantaneously.

- \* Mathematics department proposed to start Computer Certificate Course.
- \* English department proposed to organize (FMLS) another lecture in the memory of Brahmachari Pujya Shri Mahant Indiresk Chavan Das Ji Maharaj on 5 October, 2021 by Prof. Akshay Tyagi.
- \* To organize more programs related to current cutting issues.
- \* To arrange log books for laboratories so that the record could be maintained efficiently.
- \* To form various committees regarding the program of NAAC Peer team visit.
- \* To activate or actuate the 'Society' which provides funds to non-teaching staff.

The meeting was concluded by the principal with a formal vote of thanks and proposing a vote of thanks to stakeholders.
